Subject: Request: Bear hunting permit transferable to disabled individual

Good Morning,

Present state law allows for the transfer of various hunting permits to juveniles from adults for a variety of species. Rep. Jacque would like a bill draft that would allow anyone holding a disabled Class A, C, D or long term B permit (not short term B) to be eligible/allowed to have a bear hunting permit transferred to them from another individual.

Let me know if you have any questions.

Sincerely,

Jamie Julian

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

7th Comm

AN ACT ^{general} relating to: transfer of certain fish and game approvals to ^{approval} ~~disabled~~ persons ^{with disabilities} ^{with a disability}

Analysis by the Legislative Reference Bureau

Under current law, with certain exceptions, a person who holds a hunting, fishing, or trapping approval issued by the Department of Natural Resources (DNR) may not transfer that approval to another person. Under one exception to this general prohibition, the holder of certain approvals may transfer those approvals to a person who is under 18 years of age (minor). Among the approvals that may be transferred to a minor is a bobcat hunting permit, a bobcat hunting and trapping permit, a wild turkey hunting license, a Class A bear license, and a sturgeon spearing license. The holder of the ^{to be} permit must apply to DNR to transfer the approval to the minor and if the application is made within a specified period of time, the minor has not been previously transferred that type of approval, and the minor is otherwise eligible to use the approval, the approval may be transferred. Current law prohibits the holder of an approval from receiving any payment for transfer of an approval.

This bill expands the exceptions to the general prohibition against the transfer of approvals. The bill allows the transfer of the same approvals that may be transferred to a minor under current law to be transferred to a ^{such} ~~disabled~~ person. The bill defines a ~~disabled~~ person as a person who has certain permanent disabilities such as those that require the person to use a wheelchair; a person who has certain temporary disabilities that restrict mobility; a person who has ~~suffered~~ amputation or permanent substantial loss of his or her shoulder, arm, or hand; or a person who is visually handicapped. Under ~~this~~ bill, the same requirements that apply to the

BILL

transfer of an approval to a minor under current law apply to the transfer of an approval to a ~~disabled~~ person ^{with a disability}

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
